# CU this Summer

Summer at Children's University is the ultimate in summer fun and education. We offer many opportunities for growth and adventure with an outstanding faculty, state-of-the-art facilities, and unique course offerings. Our summer experience includes *Escapes*, *Explorations*, *Adventures*, and much more. Each week is different and promises to be entertaining!

Our Summer *Escapes* are our weekly field trips. Your child will make memories to last a lifetime as we *ESCAPE* from camp and go on adventures in the Dallas/Fort Worth area.

The CU Summer *Explorations* are special classes designed for fun and education. The classes match our weekly theme and promise variety each week and something for everyone. Students will be encouraged to explore, invent, accept new challenges and let their imaginations take them to far away places as they experience our summer *explorations*.

CU Summer *Adventures* will truly be an experience. The campers will celebrate the end of each unit with a day of unique events and activities. We will play games, try new foods, enjoy special entertainment and much more. You won't want to miss it!

*Be Better U* is a very important part of our summer program. This is our time for outreach and community involvement. Campers will help others by serving at Mission Arlington, creating books for area children's hospitals, making cards for U.S. soldiers, visiting area retirement homes, cleaning area parks, etc.

In addition to the entertaining activities listed above, your child will be challenged weekly in our special classes:

Technology  
Reader's Theater  
Math Mania  
Science Explorations  
Team Building and Group Games  
Physical Education  
*Business Ventures*  
Gardening  
Art  
*Be Better U*

The CU Summer Camp program is definitely the **ULTIMATE** in Summer Escapes. Join us for a summer your child will remember for years to come!

**CU THIS SUMMER!**
